St John's Development

After a long period of discussion, planning and fundraising, St John's is delighted to be going ahead with the exciting redevelopment of our premises. This work will increase mobility access, improve toilet and kitchen facilities, and create more flexible spaces for community and charitable groups. During the redevelopment works the hall and terrace area will be unavailable for public use. We look forward to welcoming our friends back to the improved hall and terrace once the works are complete in Spring 2017.

If you would be interested in donating to the Development please contact Anna Watt at anna.watt@stjohns-edinburgh.org.uk

St John's is a congregation of the Diocese of Edinburgh within the Scottish Episcopal Church. With our partner congregations (St Cuthbert's (Church of Scotland) & St Andrew's and St George's West (Church of Scotland)) we form Edinburgh City Centre Churches TOGETHER. We are an eco-congregation, a fair trade church and a member of the Creative Carbon Scotland Green Arts Initiative. We are also a member of "Changing Attitude Scotland" and work and pray for the full inclusion of LGBTQ people in the life of the church and in society.
